Hi,

Please circulate this notice about the 'Remember the **Ladies' Junior Membership 5K** with your chapters and members. There is a week to go to the deadline and South Carolina only has a total of 14 registrations. I know we can do more than that! The deadline to register is Monday, April 15th!

This year's theme in 2024 highlights the group of women who led the Edenton Tea Party - one of the earliest organized political activities by women in United States history. This is a virtual 5K that can be completed on your own time and at your own pace and convenience!

As a reminder, the Junior Membership 5K raises funds for the Helen Pouch Memorial Fund that helps support education grants and other worthy causes for local classrooms and schools. The deadline to register for the Junior Membership 5K is April 15th, 2024.

Volunteer for the NEW Historian General's Marker Card Project!

The DAR Genealogy Preservation Committee is delighted to announce volunteer opportunities for the new Historian General's Marker Card Project! Over 177,000 index cards stored in the Office of the Historian General have been digitized and are ready to be transcribed. These cards contain a treasure trove of information about Revolutionary War soldiers, wives and daughters of Revolutionary War soldiers, Real Daughters, Historical and Commemorative Markers, and Member Markers. We need your help to make this valuable resource available to members!

Transcribing the cards is very simple and the work can be done at home, at any time, by anyone with an internet connection. The great news is that most of the cards are typed and easy to read! Susan Holt, DAR Genealogy Preservation National Vice Chair for New Project Development, is leading the effort. To sign up click on [Volunteer Registration Form](#) or email darprojects@nsdar.org with any questions. Once you have signed up you will receive additional information about logging in and training.

Imagine transcribing the marker information for one of the Founding Fathers or your own patriot! This project connects us to our patriot ancestors and the history of our nation through

the many markers we have placed since the beginning of our National Society. We look forward to welcoming sparkling volunteers to the Historian General's Marker Project!
