

Issaqueena Chapter, NSDAR
Minutes for the June 17th Retreat

The Retreat started at 10:15 am at the home of Helen Nazzaro with her presiding with the Vice Regent and the Secretary/Treasurer being present.

Helen greeted everyone with a warm greeting and we learned about the Issaqueena story.

Nan Jones, gave a presentation on the Chapter Master Report, which highlights individual and chapter activities, service, and contributions of our chapter within the National Society. It gives us an opportunity to share what we have accomplished over the year! Sharing our chapter’s sparkle.

Woman with purpose and Women in the DAR was a speech written by Mrs. John A Barry which Jean Kroll shared. It highlighted the many accomplishments of women through out the world and DAR. We do not need reminders of what we have accomplished...the victories we have achieved are the documentation to the spirit of our goals.
